FINANCIAL REPORTS

Comparative Balance Sheets: (Exhibits I-A and II-A)

Comparative Balance Sheets for the fiscal years ended December 31, 1946-1947, and December 31, 1947-1948, are presented in Exhibits I-A and II-A, respectively. As indicated therein the Net Debt increased by \$7,611.71 in 1947 and \$29,935.41 in 1948.

A net unexpended balance of appropriations of \$4,381.22, plus a net revenue surplus of \$4,036.57, resulted in a net budget surplus of \$8,417.79, in the fiscal year ended December 31, 1948.

The ten year comparative tables are as follows:

II — Receipts and Expenditures

III — Tax Apportionment

ACCOUNTS OF COMMISSIONERS AND TREASURER

An examination was made of all orders issued by the Commissioners and Clerk of the Superior Court during the periods under review. CLERK OF THE SUPERIOR COURT

The financial accounts and records of the Clerk of the Superior Court of Sullivan County were examined. Court receipts were checked by source, insofar as possible, and found to be properly recorded. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

COUNTY HOME

The accounts and records of the Superintendent of the County Home were examined. Receipts of the Home were checked by source through the triplicate receipt forms. All receipts, as recorded in the cash book, were properly accounted for by the Superintendent through remittances made to the County Treasurer.

Classified summaries of receipts and expenditures of the County Home for the years 1947 and 1948 are presented in Exhibits I-I and II-I, respectively.

Chapter 47, Section 8, of the Revised Laws, which relates to competitive bidding, has been amended by the passage of House Bill 380 by the present legislature. This Act, which became effective as of the date of its passage—April 27, 1949—provides as follows:

“Any purchase of equipment or materials made by a county in an amount exceeding three hundred dollars shall be by competitive bidding, provided that the county commissioners by unanimous vote may waive the provisions for such bidding. In case the commissioners so vote a copy of such action shall be recorded in their offices with a statement of the reasons therefor and such record shall be open to public inspection. Orders for equipment or material to be delivered at different times where the single delivery may be less than three hundred dollars but the total order exceeds that amount shall be construed as coming within the provisions hereof requiring competitive bidding.”

We believe that the intent of the law is to require competitive bidding in each specific instance where the purchase exceeds three hundred dollars in amount or an explanation as to why bids were not obtained.

It is therefore recommended that this procedure be followed and that all bids submitted or waivers issued in place thereof be kept on file in a loose-leaf binder.

Payment of County Bills:

In many cases it was found that the County Treasurer drew county checks prior to the issuance of orders by the County Commissioners. While this practice seems to be a matter of convenience as orders covering all such checks were subsequently issued, it should be discontinued in order that the provisions of the law may be complied with. No check should be issued by the Treasurer until authorized by the proper Commissioners' order.

Conclusion:

The accounts and records of all county officials which were examined were found in good condition and the accounting procedure, with exception as noted, conformed to the standard procedure prescribed by this Division.

In conformance with Section 31, Chapter 211, of the Laws of 1939, a copy of this report or a summary of its essential features should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of the members of this Division is hereby expressed to the officials of Sullivan County and the office staff for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

COMMISSIONERS' REPORT

In accordance with the Public Laws of the State of New Hampshire the Commissioners of Sullivan County herewith present the Annual Report of the County Commissioners, the County Home and House of Correction, Treasurer, Auditors, Solicitor, Clerk of Court, Sheriff, Chaplain, and the Physician of the County Home for the year ending December 31, 1949.

We regret the untimely passing of Harold G. Fairbanks, Commissioner from Newport. In his passing the county lost the services of a faithful public servant. His understanding of county problems and deep human sympathy made his contribution to his office outstanding. His counsel and guidance will be missed by all the citizens of Sullivan county.

RELIEF

The relief in the county has increased substantially during the last three months of 1949. It consists mostly of medical, fuel, food and cash allowances. Under the existing condition of the times, we expect the expense in this department will be much more than last year.

COUNTY HOME

The expense at the County Home continues to be high in keeping with the price structure which has been brought on by the condition in the county the past few years.

The crops have been very good. We have used large quantities of the government potatoes. We constructed one large silo the past year, making four in all. Three were filled with grass and the other with corn silage.

The year 1949 was the best year for income. Fifty-four thousand dollars (\$54,000.00). This is nearly twice the amount of income when Mr. George became superintendent.

The past year under Mr. George's supervision, the dairy herd was the high in the D.H.I.A. with an average of over ten thousand (10,000) pounds of milk per cow.

We feel that this year the income from the farm will be much lower due to the poor prospect in poultry and hogs.

In the spring of 1949 we planted 5,000 small white pine. This year we hope to plant many more and continue the program until all waste land is replanted.

This work is carried on under the supervision of the Forster, Mr. William E. Dussault.

If good forest practices are carried out on 700-800 acres of the county land, some day the county can have an annual cut of this timber.

All purchases of \$300.00 or over were made on competitive bidding.

The new records building in Newport was completed in October and accepted by the building committee on November 17th, 1949, and on that date turned over to the County Commissioners. It is hoped that every citizen of the county will visit and inspect the building of which they may be justly proud.

COOPERATION

To the citizens of the county who have assisted us in our work during the past year, to all those employed by the county; town officials, chaplain, physician, and to all clubs and organizations who have so kindly contributed to the welfare and happiness of the inmates and patients at the county institution, we are sincerely grateful.

SUPERINTENDENT AND MATRON

It has again been a pleasure to work with our Superintendent and Matron, Mr. and Mrs. William H. George. It has been a great task to manage our institution especially in these trying times. We consider they have been very efficient and we thank them for their very fine cooperation in making the home very pleasant for many to live in.

INVITATION TO THE PUBLIC

We, as Commissioners, invite and urge the citizens and public in general, to visit the Home and inspect it. We would welcome any suggestions that might be helpful to us. We are sure you would be very cordially received and will find the Superintendent and Matron very hospitable.

Superintendent's Report

January 1, 1950.

To the Board of Commissioners:

We feel with a certain degree of satisfaction that the past year has been one of considerable progress. While two hundred thirty people were admitted to the institution in 1949, as against two hundred and nine in 1948, the total expenditures were nine thousand two hundred thirty-eight dollars and ninety-three cents LESS than that year.

Of the total expenditures over five thousand dollars was for permanent repairs and new equipment.

You will also note that the income increased four thousand nine hundred sixty-two dollars and sixty-nine cents over the preceding year.

A major factor was, of course, a good growing season, thus, making it possible to have an abundance of good grass, corn, and vegetables.

One would be optimistic indeed, to expect another year as favorable to the farmer, prices of pork, eggs, milk, etc., considered.

Much of the year, especially the past three months, the hospital has been filled to capacity, as of this date, there are fifty-six bed patients, many of them requiring the utmost care.

We wish to thank the various organizations, groups and all individuals who have contributed to make their lives more cheerful.

Whatever measure of success that has been achieved, a substantial part of the credit must go to the fine group of employees who have worked hard and cheerfully for the interests of the Home and its people.

We thank you, our Board of Commissioners. It has been a pleasure to work with you this past year.

WILLIAM H. GEORGE, Superintendent

MILDRED F. GEORGE, Matron

Physician's Report

January 31, 1950.

To the Commissioners of Sullivan County:

Gentlemen:

During the past year at the County Home, we had 97 admissions of whom 59 were boarders and 38 inmates.

During the year we had 21 deaths due to degenerative diseases.

We have submitted a request for a portable diathermy machine, which we hope to get soon, and which will make our arthritic patients more comfortable.

I wish to thank Mr. and Mrs. George, Mrs. Davis, and the other personnel for their fine cooperation during the past year.

CARL M. STEARNS, M. D.

Chaplain's Report

To the Commissioners of Sullivan County:

Gentlemen:

As chaplain I wish to thank Mr. and Mrs. George, Miss Hyde, and all others for their spirit of cooperation with us at Sullivan County Home.

Mrs. Carter has ably assisted in bringing cheer, sunshine and encouragement to the sick and afflicted.

We have made two visitations to the home each month — about two and one-half hours to each visitation. We share the joys and sorrows of our many friends in the home.

Magazines and devotional literature are distributed and much appreciated.

Respectfully submitted,

CARROLL L. CARTER,

Chaplain

-------	-----------------

I wish to report that this has been the busiest year in the history of your sheriff's department, handling 314 cases, exclusive of office interviews, this being 83 more cases than we had during the previous year. However, through being ever watchful of the costs, we have managed to finish the year with a balance of approximately \$260.00. If the volume is going to steadily increase, as it has been doing in the past, with all our diligence in watching the costs, we are fearful that our budget may have to be enlarged. Not only is it necessary for your sheriff to try to keep the costs down, it is also necessary that your sheriff give to the people in the community, prompt and efficient service.

We have found that in the past, people would not report their grievances to the sheriff's department, thinking that there might be a charge for our services. However, in the last year or two, more people are calling upon the sheriff's department upon learning that there is no charge to our work. The sheriff's department is set up primarily to aid them in their difficulties. If the citizens would especially note the license numbers of any suspicious automobiles or descriptions of strangers in their vicinity and immediately call the sheriff's department, the promptness of their report would aid us greatly in apprehending a law violator or in solving some crime.

We are continuing in our efforts to bring in those who do not support their families, which is paying dividends in that it is keeping these families from local and county relief rolls.

I wish, at this time, to thank our able County Solicitor, Jarlath M. Slattery, the police throughout the county, the state police, county commissioners and selectmen of the various towns and my deputies and citizens for their very fine cooperation during the past year.

Respectfully submitted,

JAMES F. McCUSKER,

Sheriff

Report of County Solicitor

To the Commissioners of Sullivan County:

Gentlemen:

I herewith submit my report as Commissioner to perform the duties of County Solicitor for the calendar year ending December 31, 1949.

The cases of all respondents, with the exception of one who elected to stand trial, were disposed of either by arraignment after indictment or by arraignment after waiving indictment. The one trial resulted in a conviction. All misdemeanors were satisfactorily disposed of in the various municipal courts.

The sheriff's department, the various police departments and the state police are to be commended for the efficient manner in which they have performed their duties and for the excellent co-operation and assistance rendered the Solicitor.

Respectfully submitted,

JARLATH M. SLATTERY,

Commissioner to Perform the Duties
of County Solicitor
